I will
• only visit websites approved by my teachers
• click on the HOME icon and tell a teacher if I feel unsafe while on the internet
• not reply to any messages /comments that make me feel unsafe, and tell a teacher if I receive any of these
• never give out my personal information, or information about other people
• never send /publish any comments that may upset other people
• never damage any school property or alter networks of the NSW DET
• observe copyright and give credit to sources of information used to complete school projects
• not use any personal USB device or CD ROM without the permission of teachers

I agree to observe the above rules. If I break any, I know that I might not be allowed to use the school network.
